

HELP SUPPORT EARLY DETECTION OF **AAA**.

AAA is a ballooning of the abdominal aorta, the artery that carries blood to the lower part of the body. **AAA** is a potentially life-threatening condition, and research suggests that more than one million people are living today with an undiagnosed **AAA**.

Join us for a **FREE AAA Ultrasound Screening**

- ▶ May 10, 2014
8 AM - Noon
- ▶ University Health System
Robert B. Green Family Health Center
903 W. Martin Street – 2nd Floor
San Antonio, TX 78207
